C

Database

SQL database – MySQL

Strengths

- A self driven learner with webMethod Integration knowledge.
- Like to learn and keep updating with new tool and technology.
- A team player with good communication skill always ready to work for the enrichment of knowledge.
- Has working knowledge on webMethod Integration.

Achivement

Smart Energy Optimization system using IOT

I have done my BE project on smart residence energy optimisation system using IOT. In this project I have developed android application through that application we can control various electrical appliances and optimise which devices in using how much electricity.
